

Invitation

to the 14th World Sudoku Championship and
to the 28th World Puzzle Championship

Dear WPF members,

on behalf of the World Puzzle Federation we would like to invite you to the WSPC 2019 in Kirchheim / Hessen in Germany. Both championships will take place in Hotel Seeblick from September 29th - October 6th 2019:

Hotel Seeblick

Reiboldshäuser Str. 1

36275 Kirchheim / Hessen

Telephone: +49 (0) 66 28 88 0

Registration

At the first round of registration each nation can register an A- and B-Team, as well as 3 additional persons (participants, captain, guests, parents...). Together with the sure registrations we ask you to send a list with all other persons, who also want to register. When we have an overview, how many registrations we have, there will be a second registration round. Each country will be informed, how many more participants/guests they can send, as soon as the first round of registration is finished. We are confident, that C-Teams plus guests are feasible, maybe even D-Teams. Being allowed to send more than 4 teams per championship is unrealistic due to the contingent of the accommodations.

The deadline for the first round of registration will be May 31st, 2019, the deadline for the second round of registration will be June 30th, 2019.

For registrations after June 30th 2019, the prices will increase by 10%.

For registration of participants or guests please send back the filled excel sheet you already know from previous championships. You'll find it as attachment to the email. Also, please list all the persons, who want to register in the second round, if they fit according to the total capacity. That will make the process of informing the succeeding persons faster.
